BRODSKY JOINS EASTERN

CHARLESTON, IL--Noel Brodsky, son of Elayne Brodsky of Scottsdale, Arizona, has joined the faculty at Eastern Illinois University in Charleston as a Economics instructor.

Eastern Illinois University places priority on teaching excellence for a high quality student body in a residential setting. Approximately 10,000 on-campus students are enrolled in undergraduate and graduate programs. Non-traditional and part-time students are enrolled in programs at both on- and off-campus sites. Eastern offers faculty a wide range of research and public service activities. The University is located in east central Illinois and combines the benefits of a community of 20,000 with access to several large cities, including Chicago, St. Louis and Indianapolis.

Before coming to Eastern, Brodsky was a teaching assistant at the University of Illinois where he received his master's degree and his Ph.D. is pending. He earned his bachelor's degree at Arizona State University in 1983 after graduating from Coronado High School in 1979.
